CREDIT CARD AUTHORIZATION

Dear Patient:

We will bill your insurance for all charges related to today's visit, and will make every effort to obtain payment from them . However, sometimes there will still be a balance on your account (i.e. deductible , co-insurance, or denials). For these instances, we like to have credit card information on file for the outstanding balances. We will notify you before we make any charges greater than \$100 on your card. We will not notify you before charging the credit card if the balance is less than \$100. Since you receive an explanation of benefits from your insurance describing what you owe, patients with a credit card authorization on file will not receive a paper bill in the mail. You always have the opportunity to discuss any concerns regarding the payment .

Sincerely,
Brentview Medical Physicians & Staff
